Thermostats: Thermostats purchased with covered equipment included.

Trip/Diagnostic Charge: \$50, paid once per service issue

Labor Coverage: Installing Contractor covers first year labor. Extended Labor Warranty begins one year from start-up. (Example: With a 5 Year Labor Plan, contractor is responsible for labor during year one. Midwest Factory Assurance responsible for years 2 through 5.)

Non-Transferable: Warranty valid for original homeowner only.

ICP Registration: Eligibility requires ICP Equipment to be registered for 10 Year Parts Warranty.

Labor: Labor based on rate of \$100/hour. Please reference Reimbursement Schedule in Distributor Service Agreement for Time Allowance chart.

Exhibit C: Extended Warranty Program Reimbursement Schedule

Allowable repair/replacement times should be used when determining your claim reimbursement. Repairs are alphabetized by residential equipment types. Labor charges will be reimbursed at a rate of \$100.00 per hour and limited to the time allowances set out below:

Item	Time Allowance	Item	Time Allowance
Gas Furnace		Controls	
Blower Assembly	0.5	Strip Heater	0.5
Blower Motor	1.0	Thermostat	0.5

Additional Provisions:

1. Loose nuts, bolts, wires, and insulation are not covered.
2. Noise, vibrations, and adjustments are not covered.
3. Fuses external to the equipment are not covered.
4. Only one trip per service call will be reimbursed. Times include refrigerant evacuation/recharge. Assembly is defined as all components making up the whole of a part.
5. Thermostats purchased with covered equipment included.
6. Trip/Diagnostic Charge - \$50.00 - paid once per service issue.
7. Installing Contractor covers first year labor; Extended Labor Warranty begins one (1) year from Installation Date.
8. Labor Rate is \$100.00 per hour.
9. Contractor must ensure that Purchaser has registered Equipment for Ten (10) year part warranty.
10. Time allowances marked with an * already include refrigerant handling.
